

## PLACE IN THE SUN

See the brighter side

### 2015 PLACE IN THE SUN SAUVIGNON BLANC

Actively contributing to South Africa's social transformation

#### LABEL

The label represents the rays of the sun and is both a metaphorical and literal reference to the sun and its empowering properties. It is an invitation to embrace the warmth of South Africa with over 300 days of pure African sunlight. You'll find it in the people and the wide open landscapes, in the colours and the textures, in the music and the movement.

#### BRAND BACKGROUND

Place in the Sun is a relatively new range of wines from Zonnebloem, one of South Africa's most respected and longest-established names in wine. Grapes are sourced from the premier wine-growing regions, certified by FLO-CERT under the Fair Label Organisation (FLO) Standards that form part of Fairtrade.

The wines in the range are crafted to the same meticulous standards for which Zonnebloem is internationally renowned. They are bold and rich in varietal character but easy to drink, refreshing and soft on the palate.

#### VINEYARD

The grapes were sourced from vineyards in Devon Valley, Stellenbosch. Grapes are hand-picked and delivered to the cellar, where they are handled very gently to preserve inherent fruit flavours.

#### WINEMAKING

The grapes were picked between 21° and 23° Balling. The juice, which received no skin contact, was fermented in stainless steel tanks between 14° and 16° C to preserve of fruit flavour

#### WINE PROFILE

Colour	Bright with a lively green tint.
Aroma	Upfront passion fruit, litchi's and stone fruit on the nose.
Palate	Well-balanced with good structure on the palate. Lots of passion fruit and hints of guava on the palate with

#### FOOD PAIRING

Serve with green salads, fish and pasta dishes made without cream.
