FIND YOUR PLACE IN THE SUN

As a Fairtrade certified wine, Place In the Sun is saving the world one glass at a time. We buy our grapes at a premium rate, with the profits going into a workers trust, which provides early learning projects; tuition and school uniform; sporting activities amongst other initiatives. Produced by the experienced people behind Zonnebloem, Place in the Sun stands for the cheerful and the humorous, without ever losing sight of our responsibilities.

PLACE IN THE SUN

See the brighter side
